Subject: Sales Area Golf Outing Invitations

Dear Dave,

I just talked to Charlie Iszard at Hess Oil Company. He just received the invitation to our Sales Area golf outing and will not be able to attend due a conflict on that weekend. He asked if his invitation could be given to his Northern Division Manager, Ken Fish. Currently Bill Roth deals with Ken and his 91 upstate New York stores. I personally think this would be a good business decision. Ken Fish is apparently a up and coming player in the Hess organization.

Just let me know if you agree.

Sincerely,
Mark Young
